This certificate is valid until the issue of the new certificate, but will expire no later than 19.07.2022. The validity of this certificate shall be verified on <http://msc.org>. This certificate is only valid in combination with the attached schedule. This certificate remains the property of q.inspecta GmbH and shall be returned or destroyed, including all copies or reproductions, if requested by q.inspecta GmbH. q.inspecta GmbH reserves the right to revoke this certification. Changes are subject to penalty under the criminal code. The declared operator has submitted his activities under control, and meets the requirements laid down in the above mentioned standard.

Certificate No: MSC-QI-0009

Fisheries Certificate Schedule

Austral Fisheries Pty Ltd and Australian Longline Pty. Ltd.

Chain of Custody

Only product caught in the manner defined in the Units of Certification shall be eligible to enter the Chain of Custody. Chain of Custody should commence following the first point of landing, at which point the product shall be eligible to carry the MSC logo. There are no restrictions on the fully certified product entering further chains of custody. The Australian Macquarie Island Toothfish Fishery does not require its own chain of custody certificate.

This certificate is valid until the issue of the new certificate, but will expire no later than 19.07.2022. The validity of this certificate shall be verified on <http://msc.org>.
